Commercial Diving Supervisor

Mainstream Commercial Divers, Inc., a leader in the inland commercial diving industry, has immediate full time positions available for experienced inland Commercial Diving Supervisors. Applicants for this position must have experience working as a commercial diving supervisor, as well as five years experience working in the inland commercial diving industry. Applicants must also possess an ADCI Surface-Supplied Air Diving Supervisor certification.

MCDI is an inland and costal commercial diving company performing a wide range of interesting work including heavy construction, underwater bridge inspections, salvage, confined space entry work, contaminated and potable water diving. MCDI works in many states throughout the year.

Excellent pay is provided and commensurate with experience. A wide range of benefits is provided including continuing educations classes, a group insurance plan (including medical, dental, vision, life, and short term disability), paid holidays, paid vacations, and a retirement plan.

Duties and Responsibilities:

- Supervises dive crews on job sites.
- Makes sure that dives are conducted in a safe manner.
- Maintains Job Site Paperwork for all jobs.
- Obtains quotes for equipment and materials necessary to perform jobs.
- Obtains equipment and materials necessary to perform jobs.
- Prepares written reports for inspections.
- Trains diver/tender new hires.

Reports to: Dive Operations Manager, Dive Logistics Manager, President.

Supervises: Diver/Tenders

Leadership Qualities:

- Exhibits behaviors and language consistent with MCDI's purpose, mission, and values when dealing with customers and team members.
- Manages company expenditures wisely.
- Represents the company in a professional manner.
- Willingness to meet the customer's needs.
- Instruct and motivate team members to become professional, competent divers in a caring and concerned manner in order to assist them in meeting their goals and Mainstream's goals.
