Notes: _____

Allied Underwater Services, a distinguished division of Allied Technical Services Inc., has been a trusted name in the underwater industry since its inception. We are proud to have been general members of the Association of Diving Contractors International (ADCI) since 1990, demonstrating our commitment to the highest standards of safety, quality, and professionalism in all our underwater operations.

Our expertise spans a wide range of underwater services, including commercial diving, underwater inspection, maintenance, and repair. With a team of highly skilled and certified divers, we ensure that every project is executed with precision and attention to detail. Our long-standing membership with the ADCI underscores our dedication to adhering to the industry's best safety practices and continuous improvement.

At Allied Underwater Services, we leverage the latest technology and equipment to deliver innovative solutions for our clients. Whether it's underwater construction, heavy salvage operations, or marine construction services, we have the experience and capabilities to handle the most challenging tasks with efficiency and reliability.

As part of Allied Technical Services Inc., we benefit from a wealth of resources and expertise, allowing us to offer comprehensive service packages tailored to meet the unique needs of each client. Our integrated approach ensures seamless project execution from start to finish.

We take pride in our legacy of excellence and our ongoing commitment to advancing the field of underwater services. Allied Underwater Services stands ready to tackle new challenges and continue our tradition of delivering outstanding results in the underwater industry

— Curtis Maynard - Professional Biography

Curtis Maynard began his diving career in the early 2000s, venturing into the offshore sector where he honed his skills and built a solid foundation in the commercial diving industry. With a passion for commercial diving and a commitment to excellence, Curtis quickly established himself as a dedicated and proficient diver.

In pursuit of new challenges and opportunities, Curtis transitioned to inland operations, joining Allied Underwater Services. His exceptional skills and leadership qualities did not go unnoticed, and he rapidly advanced through the ranks. Curtis's expertise and dedication to safety, efficiency, and innovation propelled him to the position of Director of Diving Operations.

In his role as Director, Curtis oversees a team of highly skilled divers and manages complex underwater projects, ensuring that each one is executed with the utmost precision and adherence to industry standards. His commitment to continuous improvement and his strategic vision have been instrumental in driving the success of Allied Underwater Services.

Curtis Maynard's journey from offshore diving to director of diving at Allied Underwater Services is a testament to his dedication, expertise, and unwavering commitment to the field. His leadership continues to inspire and shape the future of underwater operations at Allied Underwater Services
