3. CANDIDATE BIOGRAPHICAL INFORMATION

Brief biography of the company nominated:

Champagne Energy Solutions is a Louisiana-based commercial diving and subsea construction company serving the Gulf of Mexico and international offshore markets. The company grew from a single operation into a diversified subsea services provider with surface and saturation diving capabilities, subsea construction assets, pipelay barge operations, underwater inpections, ROV systems, offshore decommissioning, plug and abandonment, and a large waterfront fabrication and logistics facility in South Louisiana.

Brief biography of designated company representative:

Robert M Champagne III is the CEO and Founder of C-Dive / Champagne Energy Solutions. With more than 30 years of hands-on experience in commercial diving, marine construction, and offshore energy operations, Mr. Champagne has built a career rooted in operational excellence, safety leadership, and workforce development. Prior to founding C-Dive in 2008, he has held senior leadership roles with major offshore contractors, including General Manager of Diving and global business development positions supporting large-scale diving and subsea projects.

A U.S. Navy veteran of the First Gulf War (G91'), Mr Champagne remains actively involved in advancing commercial diving safety, mentoring industry professionals, and supporting Diver training programs. He brings a practical, field-driven perspective to leadership and is commited to upholding ADCI's mission of promoting safe, professional, and compliant diving operations.

Nominee Acceptance

I accept the nomination to serve on the ADCI Board of Directors. I have reviewed and understand the duties and responsibilities of Board membership, and I am willing and able to make the time and resource commitment required during the three-year term of office.
