3. CANDIDATE BIOGRAPHICAL INFORMATION

Brief biography of the company nominated:

Moffatt & Nichol is a global infrastructure advisory firm that operates across 14 countries with more than 65 offices worldwide. Our comprehensive range of services covers marine terminal, transportation, energy, environmental, federal, and urban development markets globally, providing practical solutions to our clients. Our firm is multidisciplinary, with specialized expertise in various fields, including structural, coastal, and civil engineering, environmental sciences, economic analysis, inspection & rehabilitation, and program management solutions. Our team of over 45 divers is dedicated to safely serving our clients in all sectors, and we are proud to have been ranked the No. 1 Marine and Port Facilities firm by Engineering News-Record (ENR) for five consecutive years, including this year (2026).

Brief biography of designated company representative:

Jeffrey Gazarek has served on the ADCI Board of Directors as Chairman of the Gulf Coast Chapter for the past 6 years and has also contributed to the ADCI Safety/Technical Committee during that time, assuming leadership of the committee this year. Since 2005 he has worked in the commercial diving industry as a Tender, Surface Diver, Saturation Diver, and Mixed Gas Supervisor in the Gulf of Mexico. With extensive field experience both offshore and inland, he has inspected, constructed, and developed practical solutions for complex projects. In 2015 he joined Moffatt & Nichol, where he currently serves as Compliance Manager. He is regularly on project sites, in the water, or on the panel to identify hazards and work with teams to mitigate them. He oversees safety protocol compliance for all field personnel and manages the computer maintenance management system for equipment. His commitment to safety is reflected in his certifications as a Certified Occupational Safety Specialist (2018) and Certified Occupational Safety Manager (2019). He also serves on the Drafting Committee for the ANSI/ADCI Standard for Commercial Diver Training, helping ensure that industry standards remain practical and aligned with real-world field operations.

Nominee Acceptance

I accept the nomination to serve on the ADCI Board of Directors. I have reviewed and understand the duties and responsibilities of Board membership, and I am willing and able to make the time and resource commitment required during the three-year term of office.
