

Dear Mr. Davis,

July 22, 2013

The official position of NAUI is that personal training courses and resulting certification endorsed by this organization are intended solely for the practice of recreational diving. NAUI certification does not entitle an individual (unless other formal commercial diving training has been received as set forth in ANSI/ACDE 01-1993) to conduct commercial diving operations.

Sincerely,

Randy Shaw, Ph.D.
